# Fixed lights, rakes and arches

Fixed windows are stationary windows often used to compliment other window and door suites. Dynamic Windows' fixed windows allow you to incorporate maximum natural light, without compromising your design or view.

Windows of unusual shapes and sizes are nothing out of the ordinary for Dynamic Windows. Curved, raked, arched, faceted, stepped and decorative window shapes along with curved glass and glass blocks are all available to suit any architectural style.

All our windows and doors are made to architectural specifications allowing your individual tastes to show through.
